

HOW TO DO DELIVERANCE

Part 4

How To Do Deliverance Part 4

“APPLYING THE PARADIGM OF DELIVERANCE”

Luke 10: “Lord

There is NO question to it we have authority over Satan.

10 steps of defining and objectively determining the demonic and dealing with it. (10 steps you take when actively involved in deliverance)

1) Ask for angelic assistance and anoint the person with oil.

Why do we anoint with oil?

Because it is symbolic of the Holy Spirit

Old Testament – Anointing of the priest.

We are a priesthood of believers

We covet and desire God's anointing and blessing.

Anointing with oil is an act of faith and a point of contact symbolizing the presence of the Holy Spirit coming upon the person.

Why do we ask for angels to come?

To restrain

To torment

To bring about the wrath of God in executing judgment upon the demonic

Caution:

- Angels come to execute the will of God
- They are assistants not servants
- Beware of spiritualism by conversing with angels
- Angels can do powerful things and we must covet their intervention

2) Have the assistance and affirmation of the person to whom you are ministering.

(Definition) Affirmation -the act of affirming or asserting or stating something; something declared to be true; a positive statement or judgment.

- You cannot minister healing and deliverance to someone who is uncooperative
 - You need to make clear to the person being ministered to that the ministering of exorcism is not the minister's battle or God's battle; it is the person receiving ministry's battle.
 - Jesus has already won
 - It is the person will against the devil
 - The deliverance minister is only a facilitator of the deliverance
- (Definition) Facilitator -to make easy or easier; someone who makes progress easier.
- The deliverance minister needs to know that it is not his/her war.

Have the person declare publicly who they are in Christ

What their determination is to get rid of the demons and set the record straight.

3) Break curses and anything ancestral when it comes to the subject of curses there are only two groups of people

1. Those that have broken all curses
2. Those that have not broken curses.

Everyone needs to renounce the sins of their ancestors

A lot of what people are suffering from is not what they did, but is because of what others did.

SPOA (Spiritual Power of Attorney)

Deal with your stuff

4) Call upon the demon
(This is always the hardest part)

You will not get free by only healing and identifying the stuff you need to confront and cast out the demon.

Not every demon manifests the same way
Not every demon comes out the same way
How it goes is not important; what is important is that it does go.

Do not get caught up in a word game as to whether the demon is in someone, on someone, about them, influencing them, possessing them, oppressing them.

They are being tormented and they must get rid of the source of the torment (the demon).

Do not try to define what is going to happen. Do not be afraid to call up the demon by saying “I command that the demon God has called to judgment come forward”.

During this stage the person may experience one of the following:

- Co-consciousness - aware of what's going on and the demons' intent
- Oblivious / trans-state – not aware of the demonic manifestation

5) Force the truth

- Enforcing your power will put the demonic on the defensive
- This forces the demonic to tell the truth
- *Tell the demon “lie not to the Holy Spirit”.*
- Freedom will only come with all truth

Confession / Admission of everything – Complete Freedom

6) Name and functions of the demons

Reasons you need to know the name of the demon

- 1) You can relate in the context of communication better
- 2) The name is sometimes synonymous with the function of the demon
- 3) It could expose an exotic name that may have a secret significance.

Sometime the person being ministered to may have an impression in their mind as to what the name of the demon is

You must encourage them to share what they hear.

7) Infrastructure of evil

(The internal demonic system)

You need to map this system out

Ask the person to assist you with an organizational chart. This may not be accurate but will give you a base to go on.

Knowing the inner structure of the demonic is important because it helps you to dismantle the system of Satan in that person's life.

Ask the person: "What are the emotions, sins and evil that has afflicted you?"

You are looking for a pattern.

8) Have the person repent and renounce the demonic entry.

9) Bind the demons together

Bind them to the leader/chief

10) Have the demon declare its doom (declare judgment upon itself)

You want the demon to be bound to its own declaration.

Prayers

Add scripture “the effectual fervent prayer of a righteous man availeth much”
The kinds of prayers that you want pray to get free:

1) Prayer for sin

Make sure the person is saved *****do not assume—ask!
Pray to break the demonic power of sins committed after the person got saved.
Demons can attach themselves to sin that has not been properly dealt with by verbal and/or emotional declaration.

Sample Prayer:

“I (state your name) repent of all my sins according to Romans 10:9-10 I confess with my mouth the Lord Jesus Christ. I believe in my heart that God raised Jesus from the dead and based on that declaration and my faith in Christ I am saved. God has forgiven me and I invite the Lord Jesus Christ to live in me to be the Lord of my life. Furthermore I repent of any willful sins as well as sins of omission which I have committed which would separate me in any way from God’s grace and open me up to Satan. Every sin I have committed which I have not openly repented of, every sin I am living in now I put under the blood of Christ. I subject to the authority of the cross of Christ. I am forgiven and I remove every legal right for any un-confessed sin therefore Satan cannot use this to attack me. I pull that stronghold down; in the Name of Jesus. Amen.”

2) Standing and authority in Christ

Declaration:

“I (state your name) on the basis of God’s word declare before Satan and the courts of heaven that I am God’s child, an heir of God, a joint heir with Jesus Christ, seated in heavenly places and that I have exceeding and great and precious promises to be a partaker of that divine nature of Jesus Christ to flow in my life. I have authority over Satan and every demon in hell. I did not earn that authority, Christ gave me that authority. I stand in that authority. I am purchased by the Blood of Christ. I am a child of God. Spiritual freedom is my right. Dignity respect and honor are my right as a child of God. I will not be subject to the guilt and shame. Satan would lay upon me for anything that I have done. In Christ I am forgiven and I am free. In the Name of Jesus.”

Everyone needs to say this whether they like it or not because it is true.

3) Curses

Declaration

"I (state your name) renounce every curse all the sins of my ancestors, anything done in darkness and secret which would open my life up to Satan. Proverbs 26:2 says "an undeserved curse cannot land". I want to be undeserving of any curse. No curse can fall on me because I break all these curses. And if any curses fall on me I renounce it; I declare it null and void whether it is something that I have permitted or brought on me by my ancestors. I break every curse over my life and future generations and I bequeath to those who come after me a heritage of faith in Christ breaking every link, all bondage that comes from the past in the Name of Jesus."

4) Revoke –

Revoke things associated with cults or occults, vows, oaths, rituals, ceremonies or forfeitures.

Declaration:

"I (state your name) on the basis of the Word of God take authority to revoke all bondage related to cults or the occult I renounce every false religious teaching that I or my ancestors have believed. I bind the spirit of religious perversion. I ask the spirit of Truth to Holy Spirit to guide and teach me as Christ said. Spirit of Truth, fall on me. I break all curses of the occult, all forms of witchcraft and divination, every covenant of the occult declares in Deut. 18. I renounce all these things. I revoke every vow made in secret and darkness by me or my ancestors. I break every oath made in secret by me or my ancestors. I place under the blood of Christ every ritual or ceremony, every blood covenant performed by me or my ancestors and every forfeiture of my life my will or any part of my being that was spoken by me or my ancestors. I take back, I revoke, I renounce all of this and I declare null and void in the name of the Lord Jesus Christ. Amen."

5) Affirm
Affirm all of the previous prayers

Declaration:

"We the people of God declare by the authority of the cross the deity of Christ, his resurrection, His victory over the forces of darkness and that we too have all authority as God's Word declares. We will walk in that authority and we command in the Name of Jesus Christ that every demon be subject to that authority within or without in whatever they are attacking they must leave; they must go. Get behind me satan. Come out of my flesh, come out of my soul, my mind, my will, my emotions any part of me where ever you may be hiding I ask the angels of the Lord to seek you out, to find you, to bind you, to torment you and to execute judgment on you. I am God's child; you do not have a right to me. And any right that I have given to you I take it back. Any right my ancestors gave to you I renounce and revoke. You do not have a right to me any longer and anywhere you are hiding must be brought into the light. Leave me know Go!! I command you in the Name of Jesus. Leave me. Go!! Let go of me. Every part of me, I surrender it completely to Christ. God in the name of Jesus (Have the person speak aloud to any part of themselves they feel is in bondage, any emotion or thing that has held them back).

Additional Prayer:

"I plead the Blood of Christ over my home, possessions and loved ones. Deliver me from all harm and evil, all sickness, disease or bodily ailments from the crown of my head to the soles of my feet. Heal me of known and unknown diseases. I speak to me to my family, to all I have and all under my authority: health, prosperity, goodness, blessing, honor and favor from God in the Name of Jesus.
